

Hanling Tian

hanlingtian@sjtu.edu.cn | (+86) 18905258081

Education:

Shanghai Jiao Tong University, Shanghai, China

Sep. 2023 – Mar. 2026

Master Student, Control Science and Engineering

Grade Point Average: 3.83/4.00

Supervisor: Prof. Xiaolin Huang

- o Research projects: information retention analysis, reliability evaluation, and computational analysis.
- o Relevant coursework: Numerical Analysis (A), Scientific Writing (A), Convex Optimization (A-), Stochastic Methods (A+), Mathematical Statistics (A-).

Xi'an Jiaotong University, Xi'an, China

Sep. 2017 – Jun. 2023

Bachelor of Engineering, Automation

Grade Point Average: 4.11/4.30; Average Grade: 94.15/100

- o Relevant coursework: Mathematical Analysis (98), Linear Algebra (98), Probability and Statistics (96), Signals and Systems (96), Digital Signal Processing (95), Computer Programming (95).
- o Honors: Outstanding Graduate.
- o Young Gifted Program, 2017–2019, before traditional undergraduate study (2019–2023).

Publications and Patents:

List of publications:

- o **H. Tian**, Y. Liu, M. He, Z. He, Z. Huang, R. Yang, and X. Huang. *Simulating Training Dynamics to Reconstruct Training Data from Deep Neural Networks*. ICLR 2025.
This work studies information retention behaviors in computational systems.
- o M. He, R. Yang, **H. Tian**, Y. Qiu, and X. Huang. *Primphormer: Efficient Graph Transformers with Primal Representations*. ICML 2025.
This work studies efficient graph-based computational architectures.
- o Z. Huang, Y. Liu, B. Lin, Y. Lou, Z. He, **H. Tian**, T. Li, and X. Huang. *RAIN-Merging: A Gradient-Free Method to Enhance Instruction Following in Large Reasoning Models with Preserved Thinking Format*. ICLR 2026.
This work studies combination methods and evaluates consistency across different settings.

List of patents: None.

Awards, Interests, Skills, and Community Involvement:

Skills: Python programming, data processing, statistical analysis, optimization, academic writing.

Languages: Mandarin Chinese and English.

Professional organizations and community involvement: None.
